Subject: FYI - Meeting next Friday with NOAA/EPA/State on HTL

Dan, Christine and David,

See below – the Governor's office has set up a meeting with us and NOAA to talk about HTL for next Friday in Olympia.

I suggested to Rob Duff that we meet before a bigger meeting that USACE/State agreed to that included us and NOAA.

This invite was sent to Elizabeth B (NOAA), myself and Michael S.

I will work with Michael to set up a prep meeting with this group for next week before we head to Olympia.

Thank you,

Peter
